Investor summary: Unifood brand audit

English version · v1 · 16 October 2026

Ma réponse dans la conversation

Sure. Here is a one-page summary of the brand audit for your investors (link below).

✅ Key points:
• Unifood, founded in 1994 in Abidjan, Côte d'Ivoire (source: unifood.info)
• Four lead brands: Super Mint, Rio Pop, Sossa mayonnaise, Fresh Power
• Ready to produce with the existing logo; the official brand guidelines are still to be confirmed

📌 Internal figures in the summary are illustrative (marked FICTITIOUS) until Unifood shares the real ones.

Brand audit summary, Unifood

Company. Ivorian food manufacturer founded in 1994 in Abidjan, plant in the Koumassi industrial area. Started in biscuits and confectionery. Source: unifood.info, read 16 October 2026.

Brands. Tomy range (Super Mint, Rio Pop), Sossa mayonnaise, Fresh Power.

Brand assets. Red and yellow logo in use. Colours measured on the logo: #E50046 and #FAB900 (not yet confirmed by Unifood).

Planned campaign (FICTITIOUS). Rio Pop Holidays 2026, budget 38,000,000 FCFA. No euro equivalent given: the CFA franc is pegged to the euro at 655.957 FCFA per euro (BCEAO fixed parity), i.e. about 57,930 euros.

Open points. Official brand guidelines, regulatory mentions, validation of the Fresh Power health claim.

Glossary

FCFA: West African CFA franc (UEMOA), kept in original currency. BCEAO: Central Bank of West African States.

Next step

A. I turn this into a two-slide investor insert (recommended).
B. You send me the real figures and I replace the illustrative ones.
